

All in Print China is one of the most influential exhibitions in China's printing industry. The exhibition, co-organized by the Printing Technology Association of China, China Academy of Printing Technology, and Messe Düsseldorf (Shanghai) Co., Ltd, powered by drupa, has seen eight successful sessions since 2003. Over the past 20 years, All in Print China has been focusing on the frontier technologies of the world printing industry, and boosting the exchange and dissemination of new technologies, hence being named "the Oriental Window of World Printing Industry".

The 9<sup>th</sup> All in Print China will be held again on 1-4 November 2023 at Shanghai New International Expo Centre with an expected exhibition area of 120,000 square meters and over 1,000 exhibitors, which is set to be a must-attend event for global printing and packaging professionals in 2023.
